## BEETROOT

### Nutrients:

- Vitamin A, B6, C
- Folate, Iron, Magnesium, Manganese
- Betaine and nitrates.

### Benefits:

- Improves blood flow and reduces blood pressure
- Supports liver function and detox
- Anti-aging and skin-friendly
- Enhances stamina

## MUSTARD

### Nutrients:

- Vitamins A, C, K, E
- Calcium, Iron, Selenium
- Glucosinolates (natural detoxifying compounds)

### Benefits:

- Promotes detox and liver health
- Boosts metabolism
- Supports healthy skin and bones
- Fights bacteria and inflammation

## RADDISH

### Nutrients:

- Vitamin C, B6, K
- Calcium, Potassium, Magnesium
- High in antioxidants and sulfur compounds

### Benefits:

- Boosts immune function
- Aids digestion and liver detoxification
- Anti-inflammatory and antimicrobial
- Improves skin health

## AMARANTH

### Nutrients:

- Protein, Iron, Magnesium, Phosphorus
- Vitamin C, A, B6
- Dietary fiber

### Benefits:

- Supports heart health
- Enhances digestion and metabolism
- Builds muscle (plant protein source)
- Useful in diabetes control

## WATER SPINACH

### Nutrients:

- Iron, Vitamin A, and C
- Calcium, Magnesium
- Dietary fiber

### Benefits:

- Helps fight anemia (high iron)
- Supports eye health
- Promotes digestion
- Acts as a natural detoxifier

## RED AMARANTH

### Nutrients:

- Iron, Calcium, Vitamin A, C, E
- Lysine (an essential amino acid)

### Benefits:

- Supports red blood cell production
- Promotes healthy bones and eyesight
- Antioxidant-rich and anti-inflammatory
- Supports the immune system

## MIX AMARANTH

The Mix Amaranth microgreen meal includes both Green and Red Amaranth. And this contains all the nutrients found in amaranth microgreens.

## CORIANDER

Nutrients:

- Vitamins A, C, K
- Iron, Calcium, Potassium
- Detoxifying compounds (chelating heavy metals)

Benefits:

- Aids in digestion and detox
- Helps lower blood sugar
- Anti-anxiety and anti-inflammatory
- Promotes clear skin

## KALE

### Nutrients:

- Vitamins A, C, K, B6
- Calcium, Iron, Manganese
- Lutein and Zeaxanthin (eye health)

### Benefits:

- Excellent for bone and eye health
- Rich in antioxidants
- Supports detoxification
- Strengthens immunity

## CABBAGE

### Nutrients:

- Vitamins C, K, and B6
- Sulforaphane (a cancer-fighting compound)
- Potassium, Calcium, Fiber

### Benefits:

- Supports heart health and cholesterol reduction
- Antioxidant and anti-cancer properties
- Aids digestion and gut health
- Supports brain function

## BASIL

### Nutrients:

- Vitamin K, A, C
- Iron, Calcium, Magnesium
- Polyphenols and essential oils (e.g., eugenol)

### Benefits:

- Anti-inflammatory and antibacterial
- Supports cardiovascular health
- Improves digestion
- Calming effect on the nervous system
